ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report

Dan A.

Hello all!

One year ago, I was expressing to you my concern about the financial future of this Area. At that time, our expenditures were outpacing our income. As a result of the commitment, hard work and dedication of this body and the Groups of the Mile High Area, I am happy to report that this trend has reversed. These successes will ensure that we can continue to support our Groups in fulfilling their primary purpose by providing services deemed necessary by the groups, support Region and World financially. I commend you all for your participation, forward thinking and persistence in accomplishing the following financial milestones:

- Rebounded from a bleak financial state where at times we had less than \$150.00
- Increased income and lowered expenses

- Created and implemented Guidelines to ensure our Fiscal Responsibility

A year ago, I made the following suggestions to improve our financial situation:

1. *Support Activities so they get better attendance and, therefore, give us a better “bang for our buck”.* You did so last year and again we have a vibrant, exciting Activities Subcommittee. I encourage all to continue your support of Activities.
2. *Reach out to isolated Groups.* This body, along with the Outreach Subcommittee has stepped up to the challenge, helping to increase attendance, participation and financial support from previously isolated Groups.
3. *Maintain adequate levels of Literature to reflect the needs of the Area and buy at the best discount possible.* Alan has worked very hard to maintain inventory levels and enlist reliable support of our members. Groups have responded with consistent utilization of our Literature Subcommittee services.
4. *Continuously monitor our financial situation and make sound financial decisions at the Area level.* The numbers, as well as the Guidelines as amended to ensure Fiscal Responsibility prove this is taking place.

I am excited and proud of the Mile High Area Service Committee for stepping up to this challenge and addressing the difficult issues responsibly to provide long term solutions to these issues that have constantly plagued us in the past! We need to continue our efforts to be responsible so we can protect and ensure that we keep the rooms of Narcotics Anonymous in the Mile High Area open to the addicts whose lives depend on us.

I welcome any suggestions as to how I can facilitate this body in accomplishing our primary purpose. Feel free to contact me at any time to make suggestions.

Next month’s meeting will be held on October 1, 2:00 P.M. at 1212 Mariposa.

Thank you for letting me be of service. Dan A.

Vice-Chairperson’s Report

Jerry

Hello all, this has been a month full of the whole spectrum of emotions. I attended a memorial of an addict who lost there life to this disease. Its very much a reality check that this is a progressive disease that kills, I was inspired by the amount of support and love I witnessed addicts giving each other in a very trying moment. I also attended the labor day picnic which was very much a celebration of life, I am so grateful to this fellowship for helping me to experience all of these feelings without having to put dope in my body. I've continued to go to as many different meetings as I can and sat in on a couple of group consciences. As all ways I am open to helping any way I can my number is (303)332-4495 feel free to call.

Thank you for allowing me to be of service. Jerry

Secretary’s Report

Karen W.

When I attempted to distribute the minutes for August several e-mails were returned to me in error. If you did not receive your minutes through e-mail you may want to verify your e-mail address again. Some of if may very well have been my fault because I was reading from a copy that was not very legible. I made extra hard copies for anyone who is on the e-mail list and did not receive their minutes. Several people read reports at Area and did not e-mail the report to me so the report was not in the minutes. I have no problem taking a written report, it will still get into the minutes.

I apologize and thank you for allowing me to be of service.

In Loving Service, Karen W.

Treasurer’s Report

Lindsay

Treasurer’s Opening Report Total: \$2,392.98

Not much to report. September rent has been paid. The checkbook balances. Life is good.

Oh, the report in the August minutes showed our ending balance to be \$2,398.60, when **really** it should have been \$2, 392.98. I wrote the wrong amount down for a check I wrote and corrected it in the books when I got

the statement. Looking back in the receipts, the check was really for \$13.75. not \$8.13, which explains the \$5.62 difference. All is well and has been corrected.

As noted, we have a balance of \$2,392.98 with \$1,515.54 in the Emergency Reserve. Will report more next month on how our budgetary meeting went today.

In Loving Service, Lindsay

Summary of Reports:

As requested at the September 10 meeting, I have:

- ◆ Calculated an ending balance for Quarter 1 -- \$1,515.54
- ◆ Readjusted the Emergency Reserve to \$1,151.54 (for Quarter 2),
- ◆ Calculated the remaining balance, which is our Opening Balance for Quarter 2 -- \$1,144.33
- ◆ As motioned and passed at the budgetary meeting, I have included the Petty Cash Carryover from Quarter 1 (\$226.63) on the Area Treasury Report to clarify what amount we actually do have left after Quarter 1 (\$916.70), which we need to make a decision about spending.

I also included the Budget as a part of my report, just in case anyone wants to look over our numbers. It is all pretty and color-coded and should make sense, but if you have any questions, feel free to call.

ILS, Lindsay

SUBCOMMITTEE REPORTS

Activities Subcommittee

H&I

Jay Mc.

We had our subcommittee meeting on August 13th. Our turnout was less than usual.

As always, we are in need of volunteers at all levels. We need Panel Coordinators at Denver County Jail - Mens, Denver Health and Jefferson County Jail – Mens. We need panel members to go into several of our existing facilities as well as to help us with the new facilities that are requesting our support. We will be doing training today after the Area meeting. I urge all GSRs to participate. We have several new facilities that are requesting a meeting be brought in.

I would like to coordinate a "Service Extravaganza" with the other subcommittees sometime after CRCNA. This would be a means for members of the fellowship to learn about many of the service opportunities available. I am asking for suggestions from any member of the fellowship about how to get and keep people interested in H&I service.

In loving service, Jay M .

Literature Subcommittee

Alan T.

Literature now has dedicated subcommittee members. I did not order any 30-day key tags. I apologize about that. If you ordered something last month, you do not need to put it on the next months order because I keep track of all the backorders.

Outreach Subcommittee

Nick S.

No report submitted.

Phone Line Subcommittee

Brenda C.

The Phone Line Subcommittee has 5-6 positions open at this time; and we really are needing help with the schedule.

Most people were able to send their phone log info to me for the past month which is a great thin.

We will have training for the phone line following Area today. So those who are interested, please come to the Phone Line Subcommittee meeting.

Thank you allowing me to be of service. Brenda C.

The website *layout* has been redesigned, now its time to us to review the *content*.

I'll be meeting with each sub-committee today after this meeting to gather webpage/website feedback.

Today I delivered 1200 meeting list. Two changes were made to the meeting list since the last printing.

Tuesday 5:45 pm Humble Lights Early — O,D,NS,WA - 11202 W Jewell

Tuesday 7:30 pm Humble Lights — O,D,NS,WA - 11202 W Jewell

became

Tuesday 6:30 pm Humble Lights — O,D,NS,WA - 11202 W Jewell (1:15 min)

Now there are 108 meetings on the Mile High Area meeting list.

After analyzing the historical printing time and cost to print meeting lists. Our current printing needs are now outsourced to OfficeMax. It was an easy decision, (.07 at OfficeMax versus .09 to print in house, two sided

We now have a printer and 3 reams of paper not in use. What should I/we do with it?

There is a meeting list packet going around the room please make edits for your meeting. Please get that back to me at the end of the meeting. At any time please forward any changes via email michael@hippsolutions.com, by the email links on the website page or by calling me at 720.938.1330.

Task Completed: 1200 meeting lists provided.

Discussions & Follow-Up Items

- 1) We are currently budgeted for Dex Online, about \$30/mo.. On October 1, 2006 the price will go up to \$39/mo. The recommendation of the subcommittee is to cancel Dex-Online, which was followed up by a discussion and a vote in new business to end service.
- 2) Yellow Pages Ad, which falls under the auspices of Phone Line and PI Subcommittees. Dawn already has research info regarding the yellow pages ad which needs to be renewed by December 2006. A decision needs to be made by October 1. Dawn accepted Dan's appointment as Chair of an Ad Hoc Committee to study the yellow pages ad and employ the input from the phone lines and PI and bring the Area a recommendation on the October 1, 2006 Area meeting.
- 3) New GSRs are still receiving the GSR packet. It has proved to be helpful.
- 4) The GSRs going out should inform new GSRs to get to Area early so that they can receive GSR training from the Training Subcommittee.
- 5) The literature form is MS form (pdf), you can get it and print it, but it will not do calculations, that will have to be done manually.

SHARING SESSION

- Kerry W.: I would like to thank all the groups that supported the New Orleans Area Convention of NA. The convention was a success. The success was due in large part to addicts outside the Area.
- Mandy: I would like to thank everyone for supporting the Ain't Dead yet Labor Day picnic, which was a success.
- Scotty: I would like to make a correction on the flyer "Time Change" the address is 10116 w. 26th Ave.

- Mike: Dead End does not like the new medallions with the Arabic numerals, they prefer the roman numerals. Point of interest by Dan A.: There are many people with a lot of clean time and WSO determined that it was two difficult to get fit roman numerals on the medallions, so they resorted to the Arabic numerals.
- Reminder: The History of NA in Denver. Alan F. gave a very good presentation. Deadline for information to be submitted is Friday, September 15, 2005.
- Clean & Serene has to find a new location by October 1, 2006. We are accepting any suggestion on a new meeting place.
- Terry: H & I and CRCNA. Please informed that all rehabilitation centers get free registration packets for CRCNA, a book and a T-shirt. If you know someone, please invite them.
- Dan: Alan & Dan had a discussion regarding the literature. It was determined that the H & I Subcommittee would not be charged the 10% for literature.
- Mike: One of group concerns was about not having anyone in the RCM positions, so I would like to personally thank Joseph and Scotty for stepping up.
