ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report

Dan A.

Hello all!

Last month I was on vacation and as expected, you will all did just fine without me. This is further evidence that NA will survive without me but I don't think I would survive without NA. I thank Jerry for chairing the meeting and Karen and Lindsay for their hard work and dedication to the MHASC.

Last month, Lindsay and I met to analyze some discrepancies between the bank statements and our Treasurer's figures, and we found that the \$504 check to Golden Voice was not subtracted from our balance, along with some other minor discrepancies. We, therefore have less money than what was reported in the October minutes. By the grace of a loving Higher Power, it has not impacted our ability to meet our budget.

I attended CRCNA XX at the end of my vacation, and it was an incredible twentieth Colorado Regional Convention of NA. Thanks to all Groups who did such a great job in the Hospitality Room and to all the addicts who worked so hard to make the Convention such a success!

Next month's meeting will be held on December 3, 2:00 P.M. at 1212 Mariposa. Please remember that we will be holding the Budget Planning meeting at 12:00 Noon on that day and all Administrative and Subcommittee Chairs are required to attend to represent your Subcommittee's budgetary needs. All other interested addicts are also welcome.

I welcome any suggestions as to how I can facilitate this body in accomplishing our primary purpose. My email address is danthone@juno.com. My cell phone number is 303-570-3342.

Thank you for letting me be of service. Dan A

Vice-Chairperson's Report

Jerry

Hello everybody,

October was a great month. I really enjoyed this years CRCNA, and would like to thank everyone involved in putting it together. I really thought they had some great ideas for this convention and I had a great time. I also attended the Halloween dance, and I would like to thank the activities Subcommittee, they did a great job putting it together and the turn out was great. As all ways I'm available if anyone would like me to help with anything, my number is (303) 332-4495.

Thank you for letting me be of service, Jerry

Treasurer's Report

Bank Statement: Balances

Bills Paid:	\$207.04	Qwest
	\$100.00	DICP
	\$40.00	Public Storage

Subcommittee Chairs – I have two requests:

- ◆ Please help me keep track of our budget numbers by noting clearly on your requests for disbursement whether or not the requested amount is included in your budget.
- ◆ Please **DO NOT** include the 10% handling charge in your literature requests. To my knowledge, H&I is the only subcommittee who orders online and for whom we have to adjust the numbers. I'm asking for your help to keep the numbers simple and correct.

Our Opening Balance is \$325.17. Most of you, if you pay attention to the reports, will notice that this is quite a bit less than what I reported as our closing balance from October and also what was in the minutes. Upon closer investigation, I noticed that, while the checkbook balanced with the bank statements, the bank statement did not balance with my reports. So, with Dan's help, we went back through all of the statements and matched them up with the reports to see where we had gotten off. We ended up being \$504 off, beginning in August. This was the month we paid the Golden Voice bill which was, you guessed it, \$504. The entry for Golden Voice was not calculated in the formula on my spreadsheet and had therefore never been taken out of the reports total numbers. I have since fixed this mistake and have adjusted the August, September, and October numbers to reflect this change. If you would like more specifics on any of these statements, or would like an updated and correct accounting from these months, please come see me and I will get you one.

I have taken the Petty Cash amount off of the report, as I think it was causing more confusion than anything else.

Our working capital is now \$325.17, and I, as your treasurer, would like to suggest we hang on to that money for a little while. My reasoning is that, in our budget, we calculated an average monthly income from literature of roughly \$235. However, for the first two out of three months of this quarter, we have not received a donation from literature at all. Therefore, I think we will end up needing to use this money for disbursement requests and it might be wise to hang on to it to make sure our asses are covered financially. We can always donate it at the beginning of Q3, which is in January, if it's still there to donate. That's all I have.

The closing Area Balance is \$724.56 with \$1,151.54 in our Emergency Reserve.

The closing Lit Balance is \$1,899.41. The money collected did, in fact match what was on the spreadsheet. ILS, Your Treasurer, Lindsay

SUBCOMMITTEE REPORTS

Activities Subcommittee

James K.

We had our Halloween dance on October 28, 2006 out at Lookout Mountain. It was a huge success. Thank you to all who attended, approximately 80 attended. Kids had a blast. I would like to thank everyone who helped set and tear down. Our Treasurer, Amie, has given Linsey all finance reports and the cash we made, about \$70. Our next meeting will be held the 8th of November at 5:30p.m. at Perkin on South Wadsworth on Eastside, just before Hampden.

H&I**Jay Mc.****Hospitals and Institutions Subcommittee Chairperson's Report**

We had our last subcommittee meeting on October 1st. Our turnout was less than usual.

We recently elected two new people in as Panel Coordinators. Al H has stepped up for Denver County Jail and Brian M for Marvin Foote Adolescent Center. I would like to thank Hoppy and Joe K for their service in these positions. We still need Panel Coordinators for Denver Health and Jefferson County Jail – Mens. We still have 3 facilities that are high on our list of places we want to go into – Douglas County Jail Womens, Rite of Passage (a adolescent treatment center for males) and Phoenix Center which is a court ordered, locked down facility in north Denver.

I have distributed a list that I would like to see on the literature table of every Mile High Area meeting. This lists the facilities that currently need volunteers. I ask GSRs to mention the list at the home group.

We plan on coordinating a "Service Extravaganza" with the other subcommittees sometime in January. This would be a means for members of the fellowship to learn about many of the service opportunities available. I am asking for suggestions from any member of the fellowship about how to get and keep people interested in H&I service.

In loving service, Jay M

The Outreach Subcommittee meets at: 1212 Mariposa St. the 2nd Sunday of the month at 5:00 pm.

We sent 10 letters this month. We received 9 letters this month. We gave 2 books to inmates this month. We had no activity on "meetings on wheels" and we are going to help a meeting starting next month on our "Adopt a Meeting program. We had no new volunteers for letter writing and we still could use some help. Last subcommittee meeting 2 people showed up. *Thank you for letting me be of service Nick S.*

Discussions & Follow-Up Items

- More discussion regarding the -800 number and the intent. The RCM only asked us if we want them to investigate further. They did not ask us to make a decision on this matter although there are multiple ways to accomplish this. Was the item taken back to groups? *It was suggested that GSRs discuss with the groups "Do we want the Region to investigate the potential of combining or linking all the Area phone line with the Regional phone lines\."*
- Discussion regarding the Literature Committee disturbing the ASC meeting other options of how that distraction can be reduced. According to the Literature Subcommittee guidelines, their primary purpose is to have an adequate supply of NA literature at that they have it available at the MHASC. Also, as pointed out by the MHASC Chair the guideline was based on past experience. One is that we get GSRs to show up and participate. There is only a little bit of money, but the primary purpose of the Literature Subcommittee is to support those efforts. It helps to do your literature order on-line. Ultimately, it was agreed to set up the meeting in a different way where as everyone will be more to the front and further away from the literature that is being distributed doing the meeting.

Day of Group Conscious: Last Thursday before Area

We have a great meeting going with a growing attendance of newcomers from half-way houses. Because of this, we are in desperate need of support, especially from fellow addicts with a strong message to share. We have asked Outreach for support before and our meeting attendance grew for a month or two and then diminished back to our original attendance.

How can the MHASC assist your group? We would like to get Outreach's support in helping your attendance and hopefully this time people might keep coming back. I did talk to Nick and Outreach is now involved in this issue.

SHARING SESSION

- Night Owls are in need of support. Area Chair suggested the following possible options: this Area has supported new meetings and the Area has a solid Outreach Subcommittee which support meetings by encouraging more people to attend that meeting and also by having their members commit to attend that meeting. It is a 90 day program to support meetings. In the past, this Area has traditionally voted to support meetings in special circumstances. The GSR for Night Owls was informed that he could make a motion that the Area purchase the group some literature. Outreach would be willing to make flyers to encourage support and/or attendance at Night Owls.
