ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report Jerry: Hello everyone,

On July 11, the literature ad-hoc committee had its last meeting, there were only 6 in attendance but I think we got allot out of it, I look forward to hearing Joseph's report. On July 21 the Training sub committee held a GSR orientation and training event, and although I had been a GSR for almost 2 years before I really learned allot. One of the things we discussed was how important it is for the Area Service Committee to be a place where groups can fellowship with one another, in an area this large it's easy for members to attend meeting's in one part of town, as a result we don't always know what's going on at other meetings. Who's having an event, who's having trouble with attendance, who has allot of new comers, and would to like have member's with some time come carry a strong message of recovery? If only our home group members know what's going with our meeting's, we cannot support or help each other. As a result of this discussion you may have noticed that group reports have been moved up on the agenda, I strongly encourage all GSR's to give oral reports and let the area know how your meeting is doing. Because of the holiday next month's meeting will be held on Sun Sept 9, 2:00 P.M. at 1212 Mariposa. Please remember that we will be holding the Budget Planning meeting at 12:00 Noon on that day and all Administrative and Subcommittee Chairs are required to attend to represent your Subcommittee's budgetary needs. All other interested addicts are also welcome. I welcome any suggestions as to how I can facilitate this body in accomplishing our primary purpose. My # is 303-332-4495 and my E-mail is jerry4na@hotmail.com.

In loving service, Jerry

Opening Balance: \$904.26
Emergency Reserve: \$1,569.23
True Balance: \$2,473.49

From this point on, I will be sitting up front, with the rest of the Administrative Committee. Literature will remain in the back of the room. Please see Jay to pay for your literature order. I will be taking 7th Tradition donations up here. If you are writing a check, please write the name of your group on the check. If you are donating cash, please put it in one of the envelopes I have here and write the date, your group name, and amount enclosed on the outside of the envelope. I will then make sure you get a receipt after the break. This will allow me to participate in Area discussions, as well as fulfill the role of the Treasurer.

Please take care of your literature order and donations right away, as we try to be done with all intake of funds by the break. This allows me to verify income and write checks for disbursements during the second half of the meeting. Thank you.

We had two returned checks this month. Both were from the same addict, one for literature and one as a donation. If you are present, I would appreciate it if you would come talk to me to take care of this situation. Thanks.

Closing Balance: \$704.09
Emergency Reserve: 1,569.23

RCM I Joseph B.: I attended the Colorado Regional Assembly in Loveland on July 14th. There were 24 GSRs in attendance. 5 from Boulder, 7 from mile high, 9 from off the wall, and 3 from Pikes Peak. Boulder has reestablished its H&I meeting in the Adams county jail. The committee went 4 months without holding that meeting due to lack of participation. Boulder is currently without a second RCM and a phone line chair. Mountain high now has two RCMs and has added another meeting in Craig. Attendance is low in Steamboat but the meeting is still open. Off the wall area is excited about hosting CRCNA 22 next year per the rotation schedule since no other area showed up with a bid. Pikes peak is hosting their 10th annual pig smoke Sunday September 9th starting at 11am at Memorial Park. Activities will include tug o war, fishing, swimming,

and a raffle. Call veta @ 719-392-1969 for questions. Pikes Peak is also the location for a statewide professional symposium on addiction and behavioral health. The World Service Office has paid for the booth, literature, and a World board member to come to the springs and represent NA during this time. This symposium will be held August 6th through the 9th. Serenity unlimited area hosted the Rocky Mountain zonal forum July 28th and 29th in Grand Junction the discussion topics and workshops held by the World Board members in attendance were on building strong homegroups and building strong homegroups in isolation. Serenity unlimited is also hosting the Standing on higher ground campvention August 10-12th in Telluride, details on www.nacolorado.org . A guideline change was made to the regional guidelines giving PI responsibility for Outreach in areas of our state that do no have coverage or a working PI committee in their area. BOD Ad-hoc committee recommended that the motion for incorporation be withdrawn until further research can be completed. There is still an outstanding meeting with a lawyer. The phone line Ad-hoc committee met yesterday and numerous options were discussed por and cons of 1-800 number also discussed. Regional H&I is starting to get underway, Ryan C. from Boulder is the chair he is in the process of gathering contacts for ASC H&I chairs and holding his first subcommittee meeting. CRCNA workshops were discussed, reworked, and approved at the assembly. CRCNA marathon meeting topics were approved at the assembly.

Atmosphere of Recovery: Violent & Disruptive Behavior

Another difficulty groups may need to address involves behaviors that interfere with maintaining the atmosphere of recovery in meetings. This piece helps groups consider approaches to resolve issues of disruptive behavior in meetings. An Introduction to Narcotics Anonymous Meetings Our meetings can be very confusing to people who have never attended. This tool is meant to help them understand our meetings and give them an idea of what to expect. Group Trusted Servants: Roles and Responsibilities This piece is meant to be a more easily accessible explanation of group-level service positions. It summarizes, clarifies, and updates parts of The Group Booklet. Group Business Meetings This is a resource to help groups conduct their regular business. It includes ideas for groups to consider, including a sample business-meeting outline. All of these service pamphlets will have a different look to distinguish them as service materials. When they are released, please be sure to give us your thoughts about them. Also, continue to send us any ideas you have for other new service-related topics. Public Relations Handbook update The initial twenty-eight PR Handbook chapter resources have been completed. These resources include addenda for chapters two, four, five, six, seven, nine, and eleven. They can be found on the web at www.na.org by clicking on “Handbooks” or “PI Basics” (found on the main page), or on “Public Relations” or “New Additions” (from the “Other Items of Interest” dropdown menu). The PRHB is currently available with tabs, which can be used to place the new resources with their corresponding chapters. We have approved an additional fourteen addenda for the handbook. These are currently being formatted and will be available in the coming months. These addenda are resources for chapters three (service assessment form), six (H&I forms and letters), ten (website steps and page), eleven (event planning steps) and twelve (fellowship development questionnaire and letter). H&I Terry C.: H&I Subcommittee

Mile High Area 8/05/07

The H&I Subcommittee met on July 8th and we had a great turn out for the H&I training that was given by Allen F. and Tiffany S., they were able to train 8 new volunteers! With the new position of new volunteer coordinator we should be able to streamline them into a facility that is right for them. I want to let you know that many of the volunteers we get are new in recovery and for that I am grateful but we really, REALLY need volunteers with 2 years or more clean time and off paper for 2-5 years, that can pass a background check. We missed going into Jefferson County Jail on Thursday, July 5th due to lack of volunteers who are cleared. I can not stress enough the

need we have and the satisfaction you will receive by giving back to addicts who might not otherwise ever hear our message. So please, PLEASE take this request back to your home groups and bring us a list of addicts who can help!

Also with the fast approach of CRCNA XXI we will be in need of volunteers to help with H&I registration at the convention. There is no clean time requirement to help at the H&I check-in and there will be a sign up sheet in September for 2 hour blocks. Also if you know of any facility in your area that you want contacted you need to let us know ASAP! We are starting to contact all the facilities on our list as of August and I have only received 2 requests from the fellowship so far. I know that the still suffering addict is the heartbeat of Narcotics Anonymous and that starts with H&I. Our subcommittee is dedicated to carrying this strong message that no addict need die from addiction.

In Loving Service, Terry C.

Phone Line Subcommittee Brian S.: All phone line shifts are covered at this time. Erica R. has taken the position of information coordinator. She is updating the phone line greetings, meeting list, and event schedules. I attended the first regional ad-hoc meeting that was formulated to look into the possibility of creating a regional phone line. Thanks to Joseph B. for chairing that committee. I will continue to participate in meetings held by that committee. The menu options on the phone line were reversed so the option for those wishing to talk with an addict precedes the option for professionals seeking information. This change was made after it was brought to my attention that many messages were being left in the PI voice mailbox by people wishing to talk to an addict. The person that was checking the PI voice mailbox stated that she was checking it once or twice a week, and finding many unanswered messages. Torri F. has since volunteered to check this voice mailbox daily. Her commitment to PI and Phone Line will ensure efficient coordination of communication to professional seeking information. I would like to express my gratitude to everyone volunteering for phone line service. Brian S.
