SUBCOMMITTEE REPORTS

Activities Subcommittee:

We have had one meeting since the last area meeting and also need to say thank you for everyone's support for the dance held on February 16th titled a New way to Love, thanks to our speaker as well for kicking it off. We all had a blast. During our last meeting we discussed unity day. **MARCH, 2008**

Activities - Addition to Mellissa's Report

The Unity Day meeting went well. In the beginning, it was suggested that we have Unity Day on the same day as the Worldwide Unity Day and participate in the hook-up. However, the Planning Committee for Unity Day 3 already had a date and a location set up and it could not be changed. They also have a workplan from previous Unity Days and they have people lined up to help. So we decided to separate this event from the Mile High Area and continue to have it put on as a group event. This was decided for multiple reasons. First, the Planning Committee was already pretty far along in planning the event and had been working totally separate from the MHA's Activities Subcommittee. Along those lines, we realized that those who have been putting it on all along know what needs to be done and work well together – there is a level of trust and support that they did not feel with the Activities Subcommittee. In addition, it was brought up that there was a legal concern about connecting the event to the MHA because there is no single point of accountability to the Area. It is not necessary to change the guidelines for this to happen because, although the Area decided to have Unity Day incorporated into the guidelines as an Activities event, the guidelines do not reflect this decision.

The Activities Subcommittee then established how the Unity Day that we felt we were supposed to plan should look like. We decided it would be more of a worldwide Unity Day, instead of a MHA Unity Day. This would involve hooking up to the World and participating in the World's Unity Day. However, there is also another option for Unity Day, which would be a fundraising event for World. This money would support the World in sending the Regional Delegates to the World Conference. There are about 300 regions worldwide, and World pays for all of them to attend the conference. We would like to discuss this during the Sharing Session to determine how the Area would like us to proceed.

On a different note, if anyone has any suggestions for songs they would like played at Activities events, please see Lindsay B. or call her at 720-249-8767 and we will incorporate the song(s) into future playlists.

Thanks for letting us be of service.

CRCNA Liaison Bob D. :

The chair, Jay called this morning and said he has the creeping crud that is going around, and apologizes for not attending area. The updated, upgraded CRCNA guidelines are

being prepared for presentation at regional assembly and ASC's. The sponsor- sponsee breakfast looking for a home, please give church names for consideration. All subcommittee positions other than the vice-chair have been filled. The next meeting is March 8, 2008 11:00 at Englewood library, in loving Service Bob D.

Mile High Area Phone Line Report

There is one vacant phone line shift. It is Sundays from 2pm until 6 pm. Anyone interested in volunteering for phone line service can talk to me during the break, after the meeting, or by calling me @ (3) 875-1309.

I attended the Regional Public Information sub-committee meeting this past month. There was a lot of progress made in regards to the development of a regional phone line. The committee chairperson Linda L. has worked hard on this project and has a proposal ready to present @ the next regional meeting. This month I also spoke at length with James C. He is the chairperson of the phone line in the Kern County area of southern California. He shared his experience with "Freedom Voice" which is the same system that is being proposed for the Colorado region. I look forward to this proposal being formally discussed here in the Mile High area, and would appreciate continued input.

Thanks to all those who are volunteering for phone line service at this time.

Brian S.

Treasurer Ad-Hoc:

There will be several amendments completed and represented for voting on next month.
Everything that has changed as a result of the Area meeting is in green.
Please be ready to vote on these guidelines at the next Area.

Proposed Guideline Changes/Additions for the Treasurer, Treasurer Assistant, and Literature Treasurer positions:

Treasurer:

It is suggested that the MHASC Treasurer have a minimum of five (5) years continuous clean time, has demonstrated a working knowledge of the Twelve Traditions and Twelve Concepts of Service of <in Narcotics Anonymous>, and presents a history of completed NA service positions.

Treasurer's Responsibilities:

1. **Be the custodian of the all MHASC funds.**
2. ~~(4)~~ **Accepts contributions from groups and disburses funds as directed by the MHASC.**
3. ~~(3)~~ **Keeps a record of all contributions and disbursements.**
4. **Keeps a record of all group payments for literature. This record should also include expenses incurred by the literature committee.**
5. **Within 5 days following Area, the treasurer sends the Area, Literature, and Budget spreadsheets to the Secretary to be included in the minutes.**
6. **Transfers approved funds in-between the Area and Literature sub-accounts.**
7. ~~Co-signs the~~ **Acts as the primary signer for the MHASC bank account.**
 - a. **I talked to the small business account specialist at the bank and, while we CAN get checks with 2 signature lines, the bank – any bank – only requires 1 signature to cash it and will not be liable if there aren't 2 signatures. We can either have the Vice-Chair or Chair sign the memo line, for accountability within the Area (which I suggest, at least until we have used all of our current checks), or get**

checks with 2 signature lines and have the Vice-Chair sign the second line, again, only for accountability at the Area level – the bank doesn't care. I think this would work well and maybe we should order the 2 signature checks next time we need them – they cost the same.

8. ~~(6)~~ Balances the MHASC checking account monthly and ~~submits for approval to the Chairperson.~~ **notifies the Chairperson immediately if there is any discrepancy.**
9. ~~(5)~~ Follows the guidelines set forth under ARTICLE X: Disbursements.
10. **Prepares the budget on a quarterly basis, to be approved by the Chairperson prior to the budgetary planning meeting. In doing so, the Treasurer follows the guidelines set forth in ARTICLE X: BUDGETS.**
11. ~~May be responsible to lead the quarterly budget planning meetings, unless the Chairperson chooses to do so.~~
12. ~~It is NOT the responsibility of the treasurer to deliver disbursement checks to subcommittee chairs, adhoc chairs, or rental venues outside of the Area meeting.~~

An effective Treasurer will be: accountable, trustworthy, organized, “good at managing their own finances, and inspire trust of the committee. Experience in business, accounting, bookkeeping, or as a successful group treasurer is helpful” (GLS). Good Excel skills are highly advantageous in this position.

Bounced Check Policy: When any check written to the MHASC is returned for insufficient funds, the Treasurer informs the writer of the check at the next Area meeting. The amount of the returned check needs to be reimbursed to the Area either in cash or with a money order. Until this is taken care of, Area will not accept any further donations or lit orders from that individual. In addition, the MHASC will no longer be able to accept checks from that person.

Treasurer's Assistant:

It is suggested that the MHASC Treasurer have a minimum of four (4) years continuous clean time, has demonstrated a working knowledge of the Twelve Traditions and Twelve Concepts of Service of <in Narcotics Anonymous>, and presents a history of completed NA service positions.

The Treasurer's Assistant's Responsibilities:

1. July-Dec: Verify that literature orders are correctly added up and verify the funds paid. This involves noting any “overages” from groups which are to be donated to the Area.
2. Jan-Jun: Work side by side with the Treasurer, learning the above-stated responsibilities in order to be prepared to take on the position of Treasurer in July, **if elected.**

An effective Treasurer's Assistant will be: accountable, trustworthy, organized, willing to learn, "good at managing their own finances, and inspire trust of the committee. Experience in business, accounting, bookkeeping, or as a successful group treasurer is helpful" (GLS). Good Excel skills are highly advantageous in this position.

- ◆ Length; Boring; Repetitive; Apathy; Wordy; Inconvenient
- ◆ Lack of Group Participation
- ◆ Negative Attitudes – Ego, Intolerance, Close Mindedness, Irritability

FAVORITE Aspects – What does that look like and why is it important

1. Unity at the Area

- ◆ 1st Tradition – our common welfare – as an Area – comes first and our personal recovery depends on this unity, upon feeling a part of a larger group.
- ◆ Everybody working together, with one common goal, or at least agreeing to disagree
- ◆ If we don't come together, we will break off and end up alone – twisted
- ◆ Keeps us in check with each other to ensure that the NA message is intact.
- ◆ Together, we can decide how to improve groups' ability to carry the message and address issues when we don't feel **our** message is what's shared (i.e. KINK)
- ◆ Helps the newcomer feel like they belong.
- ◆ Encourages trust as opposed to fear.
- ◆ People with diverse and different backgrounds and experiences can help others to see and understand where they are coming from – broader understanding of our common illness.
- ◆ Area supports activities and events which spread the word of recovery
- ◆ Our unity helps us to guide the Region in helping our individual addicts, who are the most important
- ◆ Unity at the Area level helps create more unity at the Regional level. Our Regional unity helps us to throw great events like CRCNA

- ◆ We are not here to argue **against** each other, but to discuss things **with** each other. We vote our group's conscience and share our group's thoughts with a larger body – this helps groups to feel supported by the larger group.
- ◆ With unity, addicts can share their own or their group's conscience without having to defend themselves or their group. Unity leads to acceptance.
- ◆ Unity as a group advances our personal recovery
- ◆ Unity is compromise
- ◆ We come together with open-mindedness to agreements and can then put things into action
- ◆ It does not promote unity to state opinions already shared simply in order to hear ourselves talk and highlight our own importance

2. Service Positions

- ◆ Giving back what was freely given to us
- ◆ Carrying and living our Traditions
- ◆ Great way to get out of self
- ◆ Service is the grease that keeps NA running
- ◆ Service promotes fellowship growth & recovery
- ◆ Helps us to be a part of
- ◆ Cannot keep our recovery if we don't give back selflessly
- ◆ Learn more about what happens in NA outside of meetings – Areas, Regions, World
- ◆ Carrying the message

3. Information

- ◆ Sharing information - experience, strength, and hope - between groups
- ◆ Information helps groups to participate and have an informed vote in Area decisions.
- ◆ Communications throughout the Area bring us together so that we're all on the same page
- ◆ Raises the awareness of individual addicts about what's going on at the Area level.
- ◆ Goup Reports -- Sharing thoughts on issues – fellowshipping – between groups
- ◆ GSR needs to be informed on the conscience they carry to the Area and on what info they carry back to their group.
- ◆ Flyers help to spread information to all of the groups
- ◆ Website
- ◆ Sharing Session

4. Helping Others

- ◆ Carrying the message
- ◆ Keeps groups connected through literature (keytags & medallions), information on Area Activities, provides supplies if you want to start a meeting
- ◆ Spreading meeting lists to addicts and especially newcomers
- ◆ Helping people – human nature
- ◆ Takes us out of ourselves and helps us to be less self-centered
- ◆ Area helps the groups as well as the individual addicts
- ◆ Solve problems at Area – a lot of collective clean time – working on problems with a strong base of recovery.

LEAST FAVORITE – Why is that a problem and what are some solutions

1. Argument / Drama / Lack of Serenity

- ◆ Principles Before Personalities – Open-mindedness, Goodwill, Active Listening, Acceptance, Being prepared with correct information, Humility – tradition study & discussion before Area Service Meeting, God-Centered, Remaining Teachable
- ◆ Part of our discussion was to reinstate a short Tradition Study at the beginning of our meeting – to focus on our service position in a positive light. Also, there needs to be more training and education around Area issues, Fellowship, and service as a whole.
- ◆ We need to remember that the reason we do service is to carry the message to the addict who still suffers

2. Lack of Education / Ignorance

- ◆ **Problem** – Not knowing what they're talking about when they bring information to Area. **Solution** – Need to know and understand your group's conscience in order to share it at the Area level and know what you're talking about.
- ◆ **Problem** – Ignorance leads to hostility. **Solution** – Ask questions about what you don't understand instead of being defensive about something you don't understand
- ◆ **Problem** – GSR's are not properly trained, aware of their responsibilities. **Solution** - GSR's should have a GSRA to step up into their position at the end of their term. If a GSR or GSR is not trained, they can only do a portion of what is expected.
- ◆ **Problem** – Concepts are not understood by the people participating at Area. **Solution** – Talk about the meaning of the Concepts at the Area Meeting.

3. Length / Wordiness / Boring

- ◆ The Area is not efficient in its use of time – people are inconsiderate, come late & leave early, and do not get to the point when they share.
- ◆ Area needs to be more clean cut in order to get it done – individual addicts need to get to the point of what they're saying
- ◆ When we get involved in lengthy discussions about one issue, we should create an ad-hoc committee to discuss and return with a summary of information and the overall consensus of the committee
- ◆ Time management of Sharing Session subjects – Jerry has done a good job of keeping subjects on task
- ◆ Self-restraint would cut down on egos & length of Area
- ◆ GSR's reading the Minutes to their groups and recording their group's questions and votes

4. Lacking Group Participation

- ◆ The group is closest to the individual addict so addicts are not being helped if they are not represented at Area.
- ◆ GSR Training – need more specifics in training. It should be before or after the Area Meeting.
- ◆ Buddy system (i.e. "I'll go if you go... we can go together) – also promotes unity.
