

The Twelve Steps of Narcotics Anonymous

If you want what we have to offer, and are willing to make the effort to get it, then you are ready to take certain steps. These are the principles that made our recovery possible.

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

Narcotics Anonymous is NOT affiliated with any outside organizations or enterprises, and has no connection whatsoever to the services providing conference or international calls.

“Many recovering addicts do not have access to regular meetings because of incarceration, geography, physical disability, or employment. These addicts are members in every respect as long as they have the desire to stop using, and they are entitled to the same consideration and support as any other member.”

— from Tradition Three

What are phone meetings?

NA Phone Meetings are not meant to be a replacement for face to face meetings. NA Phone Meetings are individual groups that hold their own group consciences and have trusted servants; each group is self supporting, declining outside contributions and are autonomous, following all of the Twelve Traditions of NA. If you are interested in going to meetings with people from around the world please feel free to join us. We are recovering addicts who meet regularly to help each other stay clean.

ALL MEETINGS:

you must enter an access code: you will also be prompted to say your name - although this feature has been disabled you still must press the # (pound) key these are long distance calls. Please check with your phone provider to ensure that you are able to make long distance calls in peak hours. Many carriers have plans for top ten lists. Note that many of the meetings have the same call in number!
