

Getting Service Done in Colorado
An Addict Resource Pool (Rev 5/14/11)

1 month = 30 days
30 days x 24 hours = 720 hours per month

Number of Colorado Addicts (based on last CRCNA) = 865

720 hours per month
- 4 hours of "special service"

716 hours to go to meetings, work, bathroom, grouse, do stepwork, sleep, eat, sponsorship, do group service, attend Area, shop, web surf, and so forth.....

So, if only 100 addicts x 4 hours per month = 400 hours
.....ALL IN ONE MONTH / **EVERY MONTH**

That is, 400 hours monthly to share among CRSC, Regional PR / H&I/ PI/ FD&O (Fellowship Development) plus (any or all) Areas' H&I / PI / OR / Phoneline / etc.

Figuring there are 9 Areas (BFE, Blder, Mile Hi, Mtn Hi, Mtns West, OTW, PP, SU, So) plus CRSC – and dividing up the 400 = each Area plus the Region would get **40 hours of service from addicts** to use EACH MONTH.

Addict volunteers from the Addict Resource Pool **and** all requests from Region, Regional Subcommittees, Areas and Area Subcommittees will be coordinated by an ARP (Addict Resource Pool) Coordinator as one of Fellowship Development' Projects.

Imagine all the things that we could accomplish to fulfill our primary purpose with addicts willing to serve on a project based system.
